   2. Adopt an inter-disciplinary approach in learning, and
   3. Make best use of the expertise of available faculty.
4.2 PROGRAMME: ‘Programme’ means a course of study and examination leading to the award of a degree in a discipline. These Regulations shall apply to the BBA (HM) programme.
4.3 COURSE: Course refers to a subject offered under the programme which will be taught and evaluated within a semester.

Each semester shall consist of a minimum of 400 contact hours distributed over approximately 14-16 weeks of five-day duration each and 6-8 contact hours per day. The Semesters from July to December are Semesters I, III and V (called Odd Semesters) and from January to June are Semesters II, IV and VI (called Even Semesters)

4.5 **ACADEMIC WEEK:** ‘Academic Week’ is a unit of five working days during which distribution of work is organized as 6 to 8 contact hours of one hour duration on each day.

4.6 **CREDITS:** Credit is the weightage given to each course of study. It is the numerical value assigned to a course according to the relative importance of the content and the contact hours required to teach the prescribed syllabi of the programme.

For the purpose of credit determination, instructions are divided into 3 components:
- Lectures (L): Classroom lectures of one hour duration.
- Tutorials (T): Special elaborate instructions on specific topics of one hour duration.
